

# PUBLIC NOTICE

## NOTICE REGARDING CORONAVIRUS (COVID-19)

Updated: March 17, 2020

As a local government, our essential services will continue to be provided, ensuring public safety and well-being. However, some

City operations and services will be impacted as we make operational adjustments to minimize the spread of the novel coronavirus (COVID-19). The City is implementing measures to minimize any anticipated impacts, but we apologize for any inconvenience these operational adjustments may cause. This means City Hall and the library will likely be closed to the public at times during regular business hours. Absentee voting is being conducted in the community room at City Hall.

Many routine city transactions may be completed online at:
