STATEMENT

Today we wear our masks for you with the hope that you will do the same for this community and those you love.

For today we are faced with the task of slowing the spread of COVID-19 and the challenge of a potential second economic shutdown in our community.

Together, with the wearing of masks and physical distancing, we can prevent another shutdown.

Together, with the wearing of masks and physical distancing, we can make a difference to the health and welfare of our families, friends, and co-workers.

Together, with the wearing of masks and physical distancing, we can show our support to our local businesses.

Together, with the wearing of masks and physical distancing, we can life each other up and help slow the spread of COVID-19.

This is the time that we all stand together, Altoona, and agree to wear the mask for each other.
